

Frank Guidelines for Ethical Hot Dogs

Get your red hot hot dogs, right here! What better time to celebrate the dog days of summer by feasting on a frank in July – National Hot Dog Month. But whether your topping of choice is ketchup, mustard, relish, onions or some tasty combination thereof, make sure your dogs and dressings are made by ethical companies that treat their workers fairly. Shop ethically and with every dog you down, you’ll be helping to lift up the middle class. Woof!
