Drink Blue at All-Union Tasting Event

Labor 411 and DC LaborFest Hosts Second Annual Union Beer and Whiskey Tasting

Demonstrating one of the myriad ways that Americans can drink their way to a stronger America, Labor 411 and the DC LaborFest film festival will host the second annual All-Union Beer and Whiskey Tasting on Thursday, May 10 at the Phoenix Park Hotel. The popular event will take place as part of the month-long DC LaborFest

Attendees at the tasting can sample a series of products made by ethical suppliers including several from sponsoring supplier Jack Daniel's as well as delicious appetizers. Labor 411, the nation's premier guide to union made goods and services, lists more than 250 union made beers and 10 brands of whiskey in its print and online directories.

"Union-made beer and whiskey created by employers who treat their workers fairly always goes down smoothest," said Cherri Senders, founder and publisher of Labor 411. "For the second year, attendees at our all-union tasting will learn how easy and fun it can be to support employers that are bolstering the middle class."

"Washington, DC is a great union city, and we are proud to partner with Labor 411 on a celebration that promotes the burgeoning Ethical Consumer Movement," added Jackie Jeter, President of the Metropolitan Washington Council, AFL-CIO. "The inaugural tasting in 2017 was a lot of fun, and I expect a hearty turnout for the second round."

Labor 411's mission is clear: By supporting businesses that treat their employees well with fair pay, good benefits and safe working conditions, we create a rising tide that lifts all boats. Senders has previously called for an ethical consumer movement in several op-eds, most recently published by the [LA Daily News](#), [Sacramento Bee](#), [Huffington Post](#), and [AlterNet.org](#).

Celebrating its 10th Anniversary, Labor 411 produces annual print guides in Los Angeles, San Francisco, Washington, DC and Philadelphia with New York City set to join the lineup later in 2018. In addition to its print directories, Labor 411's website (www.labor411.org) allows consumers to support living-wage companies in their communities and avoid retailers that do not treat their workers well. Labor 411 reaches millions of fans on [Facebook](#) each month.
