MAKING IT EASY TO SUPPORT GOOD JOBS

LOS ANGELES | SAN FRANCISCO | WASHINGTON, D.C. | PHILADELPHIA | NEW YORK

Sure, it's a stereotype, but we're pretty sure there's at least one guy on your holiday list whose eyes will light up when he unwraps a cool new tool, a special sports item, or – if you're feeling especially generous – a rugged new ride.

Not only are the items on this handy list perfect for the men in your life, they are made by ethical companies who treat their workers fairly. When you put a bow on these He-gifts, you can take pride in the fact that you are also doing your part to support good middle class jobs.
