

# Valentine's Day 2019

Love is in the air...and on the aisles. Just try to find a store that isn't awash in hearts, flowers, chocolates and all things red and pink.

Chocolate and champagne may be the height of Valentine's Day cliché, but for good reason: these Valentine's Day staples are beloved by men and women alike. If someone gives you a giant box of chocolate or some bubbly on the 14th, are you going to turn it down?

We didn't think so. Below is a list of Valentine's Day sweets and sippables which are made by companies that treat their workers fairly and give them a voice on the job.

Happy Valentine's Day. Let's all romance our way to a stronger America.
