

# Enjoy an Ethical Holiday

If there's one thing we know about the Easter Bunny, it's that he is very particular about the kinds of goodies he places in those festive baskets we all love. So, if you want to help out good old E.B. and also support good jobs and a vibrant middle class, consult our list of supplies made by businesses who treat their workers fairly. If you're hosting or attending a Passover Seder, you have plenty of ethical food and beverage options as well.
