Welcome to 2020, a new year filled with the promise of new horizons! But first, you may need to shake off the after-effects of all that New Year’s Eve reveling. Fortunately, there are plenty of union-made items to help you get back to yourself and face 2020 with a clear head and some pep in your step. Fill up your system, your pantry and your medicine cabinet with these brands made by companies who treat their workers fairly and give them a voice on the job. Happy new year, and let’s all recharge our way to a stronger America.
