Peruse the beer aisle of your favorite grocery or liquor store and you will come face to face with a veritable tsunami of options. We all have our favorites, and the list of brews made by companies who treat their workers fairly stretches to almost 250. So with the dawn of a new year, why not resolve to sample at least one new beer. Here are 20 lesser-known options for a rich and diverse 2020.

Axehead (IBT)
