MAKING IT EASY TO SUPPORT GOOD JOBS

LOS ANGELES | SAN FRANCISCO | WASHINGTON, D.C. | PHILADELPHIA | NEW YORK

St. Patrick's Day is traditionally a social holiday with green-clad revelers hitting the bars or sham-rocking a local parade. Given the threat of the coronavirus, those options might be curtailed, but the holiday lives on. Whether you choose to seek out a gathering spot or bring the St Pat's

Day reveling into the comfort of your home, Labor 411 has plenty of ethical options to help the holiday along. The whiskey and beers listed below are all made by companies that treat their workers with dignity and give them a voice on the job. Through smart consumer choices, we help support good jobs and strengthen the middle class. Happy St Patrick's Day and let's all help build a stronger America.
