## Labor 411

MAKING IT EASY TO SUPPORT GOOD JOBS

LOS ANGELES | SAN FRANCISCO | WASHINGTON, D.C. | PHILADELPHIA | NEW YORK

2020 will be the year that we celebrate America's birthday in an especially challenging environment. Between a global pandemic, massive unemployment, and civil unrest spurred by the murder of George Floyd and nationwide systemic racism, many of us may not feel like celebrating.

We understand that. But for those who choose to celebrate our nation, Labor 411 urges safety. Avoid large gatherings, practice social distancing and buy time-honored, American-made products made by companies who treat their workers fairly and give them a voice on the job.

Happy 4th of July. Let's all stay safe and help build a stronger America.
