Given the nationwide health mandates urging people to stay at home as we combat the COVID-19 pandemic, holiday shopping may look a bit different this year. But whether you’re venturing out or ticking off Santa’s list online, there are still gifts to be bought. One thing that never changes is the value of well-established, American made brands produced by companies that treat their workers fairly and give them a voice on the job. We’ve highlighted some of our favorites across a spectrum of categories. Happy holidays and let’s all work together to build a stronger America.
