

# Last Minute Holiday Gifts

Around this time of year, Santa and his elves are frantically rushing around making sure all the naughty and nice lists are being attended to. You may know just how Old St. Nick is feeling what with Christmas being just a couple of days away and your needing some last minute gifts to pick up. Labor 411 has got you covered. In addition to delighting the recipient, these favorites listed below have the extra benefit of being made by companies that treat their workers well and give them a voice on the job.
