

ETHICAL EATS FOR SPORT'S BIGGEST DAY

Ponder, for a moment, how much money will be spent on or around Super Bowl LVI on Sunday, February 13. We're not just talking about tickets to the big game itself should you be lucky (or wealthy) enough to score a seat. Think about the TV ad revenue and the economic boost to the tourism around the host city, in this case L.A. Consider the bars and restaurants that will get a bump from watch events and the countless parties in homes across America. Chances are, you'll be spending on the Super Bowl, yourself. Consider the food and drinks that you will bring into your own house for your party. Even with supply chain issues, the discerning shopper has choices when s/he peruses the supermarket aisles. For sport's biggest day, we recommend the brews and bites listed below which are made by ethical companies who treat their workers fairly and give them a voice on the job. A great game is always that much more enjoyable when combined with ethical edibles.

So, whether you've got the Rams or the Bengals, enjoy the game, shop smart, stay safe and let's all help build a stronger America.
