

# MAY THE (ETHICAL) LUCK OF THE IRISH BE YOURS

St. Patrick's Day is a holiday about togetherness, a time to celebrate Irish pride and all things green, often with plenty of libations flowing. As we emerge from the pandemic, many of us will be heading out to the bars on St. Pat's. Whether you're celebrating out or at home, Labor 411 reminds you to use caution and be safe. We also recommend the beers and whiskeys listed below, all of which are made by ethical companies that treat their workers fairly and give them a voice on the job.

Happy St. Patrick's Day and let's all work together to build a stronger America.
