

A UNION-MADE FOURTH OF JULY

It's almost that time of the year again when families get together for backyard grilling, warm weather, and fireworks. Unions and the idea of independence go hand-in-hand as workers gain more freedom and a voice by organizing their workplaces. With that in mind, we've put together a list of union-made July 4th essentials so that you can support ethical companies that treat workers fairly while you shop for your July 4th get-together.

Have a great, long weekend from all of us at Labor 411.
